LTC Buyer Testimonial

Over 2 year ago we met Ken & Jana Bednar. Because we are long time time-share owners on the lake that made us want to purchase a vacation rental home to begin our gradual transition to being a resident of Lake Tahoe. Even though we weren't ready at that time, Ken and Jana continued to send us opportunities and keep us abreast of the Lake Tahoe market. This summer, Ken and Jana showed us multiple properties and when we thought we couldn't find the right property, a listing popped up as we were leaving the lake. 30 days later we are the proud owners of our vacation rental in Zephyr Cove. Without the persistence of Ken and Jana in arranging and personally attending our home inspections and appraisal and watching over the entire sales process we never would have been able to accomplish this feat. We are thrilled to be part of the community and can't thank thje LTC Team enough for making it happen. They are not only our new neighbors, they are our new friends."
